H. Read the text and answer the questions.

People in the past didn't go to the beach very often. My grandfather still remembers his first day trip to the beach. It was in 1930 and he was only six years old. His parents didn't have a car so they went there by train. They travelled to a beach near Brighton.

It was a beautiful sunny day. My grandfather was very excited. He didn't know how to swim and he didn't have a swimsuit, but he wanted to go into the sea. So, he played in the water with his clothes on.

For lunch, he had fish and chips. They stayed on the beach all day and went home in the evening. My grandfather was very tired but he was happy.
